MEMORANDUM FOR: FE [REDACTED]

SUBJECT : Justification for Reclassification of Slot

It is requested that slot #3, [REDACTED] 25X1A6a
T/O be up-graded from a GS-7 to a GS-9. [REDACTED] will be
assigned this slot as a GS-9.

25X1A9a

As the senior medical technician in the field, he will be responsible for the supervision of five medical technicians of a GS-7 rating. Immediately subordinated to the medical officer, it is his responsibility to carry out and/or implement orders pertaining to medical problems. He is responsible for administration. He has to direct and control, in the medical officer's absence, the activities of the medical station.

In a functional capacity, he is an assistant medical officer.
